Health & Safety is Everyone’s Responsibility

Regardless of your specific working environment, the importance of health and safety in the workplace cannot be underestimated. When planning or conducting activities and programs at UConn Health, the health and safety of all faculty, staff, students and visitors must be a principal consideration.

The following Policy Statement highlights the UConn Health’s commitment to health and safety. It establishes expectations related to compliance with health and safety regulations, policies, programs and procedures. Additionally, it clearly describes our responsibility to perform work in a safe and sensible manner and to act to ensure the health and safety of ourselves, coworkers, fellow students and all others at UConn Health.
