

THE OFFICE OF UNIVERSITY COMPLIANCE WELCOMES
**POLICY AND COMPLIANCE
COORDINATOR**

Policies and procedures have long been considered an essential component of the University of Connecticut's operations. Building on its commitment to providing a clear and consistent roadmap for maintaining compliance with institutional expectations, laws and regulations, the University has appointed Stephanie Guralnick as the Policy and Compliance Coordinator for UConn and UConn Health.

Stephanie joined the Office of University Compliance in November and will be responsible for helping to manage the policy process at UConn and UConn Health. Stephanie's previous work experience includes over a decade of progressively responsible programmatic management experience at UConn. Additionally, Stephanie holds a Master of Public Health and Master of Public Administration from the University of Connecticut. Stephanie has already started to meet with various stakeholders across the institution and will continue reaching out to others in the coming weeks.
