Have you had a chance to complete UConn's 2021 Compliance Training? If so, thank you. If not, today is a great day to do so. This required training covers important and relevant laws, regulations, and policies. Learn about available resources, as well as real life scenarios and practical compliance strategies. You can complete it online at your own pace or via one of our live WebEx training sessions. Want to learn more? Keep reading.

Covered Topics

This year's training will provide an overview of the:

1. Office of University Compliance and the Compliance Program at UConn
2. University's Code of Conduct
3. University Guide to the State Code of Ethics

This training will take approximately 45 - 50 minutes to complete.
Live WebEx training sessions will take approximately 60 - 90 minutes.

When and Where

To provide you with an engaging and accessible learning experience, live WebEx training sessions, as well as a fully online option will be offered.

Starting Monday, February 1, 2021 you can register for either the online training or a live WebEx session via:
