The Office of University Compliance is hosting WebEx Event for UConn and UConn Health - The State of Compliance: Environmental Health and Safety (EHS). Join us for a discussion with UConn and UConn Health’s own experts, Terri Dominguez (Director of Environmental Health and Safety for UConn) and Steve Jacobs (Director of Environmental Health and Safety for UConn Health) on topics such as an overview of EHS responsibilities; compliance with the EHS policies, laws and regulations; common mistakes and tips to ensure compliance; training and tools for education; and guidance and tips related to participant questions.

Thursday
May 20, 2021
12:00 - 1:00 pm
