Did you miss our live WebEx Event - The State of Compliance: Ensuring Compliance with HIPAA? If so, we invite you to watch the recording. Hear from UConn Health’s own experts, Alyssa Cunningham (AVP, Office of Healthcare Compliance and Privacy) and Adam Johnston (Healthcare Privacy Specialist) on topics such as compliance with the Health Insurance Portability and Accountability Act (HIPAA); the background and purpose of the HIPAA Privacy Rule; common mistakes and tips to ensure compliance; understanding FairWarning; and obligations and requirements of UConn Health workforce members. Click here to check out the video recording.
