

HOSTING YOUTH ACTIVITIES AT UCONN AND UCONN HEALTH.

As we enter **National Child Abuse Prevention Month**, we recognize the importance of communities working together to empower us to prevent child abuse and neglect.

At UConn and UConn Health, we are proud to serve the broader community through a wide range of educational and enriching opportunities. We are committed to promoting a welcoming and secure experience for the children and youth who participate in our activities. Read the **Protection of Minors and Reporting of Child Abuse and Neglect Policy** to learn about standards for University youth activities and information on reporting known or suspected child abuse or neglect.
